

MODEL HVT 30 VACUUM TUMBLER

Marinated meat, fish and poultry add creative variety to your menu, increasing sales and profits for your operation.

MARINATING MADE EASY!

Vacuum tumbling is the best way to marinate products because it creates higher profits for you and better products for your customers in a short period of time.

A Hollymatic HVT-30 Vacuum Tumbler adds consistent quality to your marinated menu items. The tumbling process increases your yield, tenderizes your product, reduces your cooking time and evenly distributes the flavor profile throughout your product. Higher yields, better flavor and tenderization equal customer satisfaction and higher profits.
